

## **Conference call on seismic site amplification in central and eastern North America**

**Date:** Aug 23, 2016

**Time:** 10:00 am – 11:00 am

**Location:** ReadyTalk web conferencing – invitation to be sent via email

**Attendees:** Gail Atkinson, Dave Boore, Yousef Bozorgnia, Robert Darragh, Christine Goulet, Joseph Harmon, Youssef Hashash, Grace Parker, Mark Petersen, Walt Silva, Jonathan Stewart

### **Proposed agenda:**

Time	Topic	Presenter
10:00–10:05	Introduction and updates	Jon Stewart
10:05–10:25	Updates to Geotechnical Working Group empirical linear site amplification model	Grace Parker
10:25–10:40	Updated response spectra amplification for NEHRP categories	Robert Darragh
10:40–11:00	Updated model comparisons and discussion	Grace Parker
